

**FASTENER
TRAINING
INSTITUTE**

ONLINE LEARNING LIBRARY | TRAINING AT YOUR CONVENIENCE!

The Online Learning Library makes fastener training convenient and accessible. Your staff can learn at their own pace and when time permits – at their desk, in a conference room or on the go. Videos can be watched from any device with internet and sound.

Choose from more than 60 videos – all recorded from FTI's webinar series and presented by industry experts. Reference materials and quizzes are included with each video rental, when available.

SAMPLE TRAINING VIDEOS:

- Hydrogen Embrittlement - What Suppliers Need to Know
- Understanding Fastener Strength and Hardness
- Vibration Resistant Fastening
- Fastener Failure Investigation - Parts 1 & 2
- Distributor Fastener Quality - The Basics and Beyond
